STÄNGT 7-11 maj

På hemsidan i **spelaren** Larry Lampkin, Uvee Hayes, Bror Gunnar Jansson, Lynwood Slim m fl.

Uppdaterad **REA-lista** på hemsidan. Sänkta priser och en del nytillskott!

SOULPAKET: 5-pack med blandad soul (från, som exempel, klassisk soul med Jimmy Hughes till dagens southern soul/blues med Mel Waiters). **150:-/paket.**

Månadens skiva maj: Papa Charlie done sung that song: Celebrating the music of "Papa" Charlie Jackson (Document DOCD-7010) 2-CD. 110:-.

CD 1: Cary Moskovitz, Jen Maurer, Adam Tanner, Don Flemons, Jerron "Blind Boy" Paxton + varierande komp. CD 2: Papa Charlie Jackson: *Papa's lawdy lawdy blues/Shave 'em dry/Skoodle um skoo/Airy man blues/All I want is a spoonful* + 10 låtar inspelade 1924-35.

Living Blues: "It's high time that Papa Charlie be celebrated. The premier blues-roots label Document has done it with a bold double punch ... a tribute CD and a CD of his original recordings in the same package. - - - ...a fine two-CD set worthy of any serious blues collection, and another feather in the cap of Document Records."

Månadens skiva i april, *Moan snake moan*, med **Bror Gunnar Jansson** kvarstår i maj.

Document Records har ytterligare två *mycket* trevliga utgåvor (enkel-CDn): *I'm pretty good at it: Country blues 1937-1953* med Charlie Hill, "Roosevelt" Antrim, Sonny Jones, Dan Pickett och Doug Quattlebaum (DOCD-5699; 110:-) och *We're sisters under the skin: Female blues & boogie woogie 1944-1949* med Christine Chatman, Viola Wells ("Miss Rhapsody"), Irene Williams, Ann Lewis och Ruby Smith. Damerna svänger som sjutton (DOCD-5700; 110:-).

Kvinnor i bluesen är stort nu! **Ladies Got The Blues** gör succé var de än framträder och presenteras i *Jefferson*183. * Ett annat spännande projekt är **A Tribute to Women Pioneers in Blues and Rock'n'Roll**, som Hans Schweitz bevistat en konsert med i Norrköping. Läs vad Hasse skriver på Jeffersons hemsida. * **Lisa Lystam Family Band** representerade Sverige i European Blues Challenge i Brüssel nyligen. * **Norrtälje Blues Festival** den 25/7 har *enbart* kvinnliga artister! * (Felicia) **Shoutin' Red** gör succé med sin akustiska blues från "way back". * **Åmål's Blues Fest** var lite föregångare 2014, men satsar även i år på många kvinnliga deltagare efter förra årets succé. * **Living Blues**' senaste nummer har temat "Women of the blues". * Och det ryktas att i nästa nummer av **Jefferson** medverkar Ida Bang och Lisa Lystam som skribenter.

Virginia (Pihlblad), nedan vid jam med J.T. Lauritsen (dragspel) och Rita Engedalen kan ses på flera festivaler i sommar. Deras senaste CDn är *Change is gonna come resp My mother's blues*.
Foto: Tommy Löfgren resp. Birgitta Larsson.

Jag har tappat kontakten igen med **Terrie Odabi**. Det såg lovande ut ett tag att jag skulle få påfyllning av *Evolution of the blues*, men nu ser det osäkert ut hur det går...

Rockmusikern Jack White har, i samarbete med John Faheys Revenant Recods, på sitt skivbolag Third Man Records gett ut de omskrivna boxarna **The rise and fall of Paramount Records Vol.1 & 2**;1917-1932. Vardera 6 LP-skivor, USB-minne med 800 låtar (blues m m), ett par böcker, mängder med foton/affischer. Allt i varsin replika av en portabel skivspelare i trä. Vikt per box 11,5 kg. Pris 6500:-/box + frakt. Beställningsvara.

Vi har nu fått in DVD-utgåvan av **This ain't no mouse music! The story of Chris Strachwitz and Arhoolie Records**. Den är utförligt recenserad i *Jefferson* nr 183. 192 min. + 34 min. bonus. 295:-. Sedan tidigare har vi soundtracken på 2-CD för 180:-. Maddox Bros. & Rose, Clifton Chenier, Hopkins, Flaco Jiménez, Mercy Dee, Country Joe McDonald, Treme Brass Band, Savoy Family Band och många fler.

Guido van Rijn har i decennier publicerat och ställt samman LP/CDn, som blivit prisbelönda. Otroligt genomarbetade och snyggt producerade. Smokestack har inte haft hans produktioner på många år. Men när hans senaste, 3-CDn **Deep south piano** är "Record of the Month" i *Blues & Rhythm*, tänkte jag att nu är det jäklar i mig dags ta in den och flera av hans CDn på **Agram Blues**.

Fullständiga titeln för ovanstående 3-CD är *Deep south piano: The music of Little Brother Montgomery, his family, friends and peers. 1968 and 1972 US home recordings by Karl Gert Zur Heide*. (AB3CD 2026) 245:-.

Chris Smith i *Blues & Rhythm*: "Valuable and enjoyable music; good notes, acceptable sound and interesting photographs make this a compilation done right, and to acquire, alike for its historical and its entertainment value."

Guido har ju med avstamp i president Roosevelt publicerat böcker med ackompanjerande skivalbum med musik, som anknyter till USA:s presidenter hela vägen fram till Obama – nio album har det blivit om jag räknar rätt. Här nedan är låtarna (i böckerna är ca 100 texter nedtecknade med utförliga kommentarer). Varje CD har en booklet med presentation av varje låt på skivan. Deep South Piano (AB3CD 2026)

In 1968 and 1972 Karl Gert zur Heide traveled the United States in search of living exponents of one of the most neglected African-American art forms: piano blues. Forty-five years later all the artists are deceased and if it were not for Karl's devotion, this unique music would have been lost forever. The featured artists are Sunnyland Slim, Little Brother Montgomery, Shakey Horton, Lafayette Leake, Sweet Williams, Dewey Corley, Tuts Washington, Buddy Burns, Willie Bell Dailey, Joe Montgomery, Gus Perryman, Roosevelt Sykes, Simon Frazier, Adam Cato and Leon René.

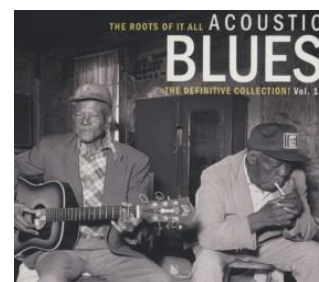

The box contains 3 CDs with 77 tracks and a 20-page illustrated booklet with extensive liner notes by Karl Gert zur Heide.
